Dear Fellow PMAPer,

I seek your support this coming November 23 to vote for me as a member of the Board of Trustees. If you allow, I would like to do my own share in achieving our collective aspirations for PMAP. We want our association to be a significant professional organization in Philippine Society. I believe we can do this by building further the capabilities of our organization, providing members with more affordable access to continuing professional growth and understanding meaningful activities that create positive impact in our country. If elected, I dedicate myself to these priorities. Together, we can make PMAP an organization we can be all proud of.
